formation concerns rights and
procedures that relate to this
proceeding for the termination
of custody and control of said

Code Section 7860 et seq.:

1. At the beginning of
the proceeding the court will
consider whether or not the in-
terests of the minor child require
the appointment of counsel. If
the court finds that the interests
of the minor do require such
protection, the court will ap-

amount must be paid by the
real parties in interest, but not

the amount will be paid by the
county.

sary to appoint counsel to be-

The City of Lumberton City Council announces a Public Hearing to be held on Monday, March 27, 2017 at 9:30 a.m. in the City Council Chambers, Lumberton City Hall, 836 North Main Street, Lumberton, Texas, for the purpose of discussion and possible action on the following variance requests submitted by Bill Cole, Cole Realty Partners, LLC, on behalf of Lumberton MHP, LLC for the orderly development of this property:

quired 5000 square foot lot size as required by Sec. 50-432, but still allow for the minimum setback lines and adequate buildable area.
2. To allow a blanket perpetual variance to not conform with the requirements of Sec. 50-432 requiring a concrete slab foundation, due to the hardship caused by following these requirements, but rather to comply with applicable state and manufacturer's requirements.
3. To allow lots 12-20, 63, 64 and 66-72 to be 40 feet 1 inch in width instead of 50 feet, which allows for a 12' setback as required by Sec. 50-432 as well as a 16' wide buildable area.
4. To allow lots 12-20, 63-65, 74 and 76 to be less than 120' in depth as the minimum required by Sec. 50-434.
5. To allow a density of 7.19 lots/acre instead of a density of 9 lots/acre as the maximum required in Sec. 50-438.
6. To allow lots 20 and 68 to encroach upon the 15' buffer required in Sec. 50-443 for a 15' buffer along the community's exterior boundary line.
7. To allow asphalt private access drives to match existing drives instead of concrete streets required in Sec. 50-449.
