#	District / MPO	CSJ Number	STIP comment
1	AUS / CAMPO	0016-01-121	Not Approved. October 2016 CAMPO 2040 RTP and 2017-2020 TIP amendments reflect project funding as Develop Authority (DA). It is our understanding that DA funded projects cannot be included in the TIP/STIP. Additionally, the 2040 RTP project description indicates southbound ramp reversal. Approval is withheld pending clarification of project funding and confirmation of project scope.
2	AUS / CAMPO	0471-02-070	Not Approved. October 2016 CAMPO 2040 RTP amendments reflect project funding as Develop Authority (DA). It is our understanding that DA funded projects cannot be included in the TIP/STIP. Approval is withheld pending clarification of project funding.
3	AUS / CAMPO	0471-04-030	Not Approved. October 2016 CAMPO 2040 RTP amendments reflect project funding as Develop Authority (DA). It is our understanding that DA funded projects cannot be included in the TIP/STIP. Approval is withheld pending clarification of project funding.
4	AUS / CAMPO	0471-05-038	Not Approved. October 2016 CAMPO 2040 RTP amendments reflect project funding as Develop Authority (DA). It is our understanding that DA funded projects cannot be included in the TIP/STIP. Approval is withheld pending clarification of project funding.
5	HOU / H-GAC	0027-09-104	Not Approved. Project reflects a 2022 TIP Year; however, 2022 is outside the time-frame of the 2017-2020 STIP. Approval is withheld pending clarification of the project's TIP year.
6	HOU / H-GAC	0028-02-092	Not Approved. Unable to determine CMAQ funding eligibility with the information provided. Also, estimated emission reductions not provided. Approval withheld pending clarification of these items.
7	HOU / H-GAC	0192-01-099	Not Approved. Unable to determine CMAQ funding eligibility with the information provided. Also, estimated emission reductions not provided. Approval withheld pending clarification of these items.

**2017 November STIP Revision
- Federal Comments**

#	District / MPO	CSJ Number	STIP comment
9	HOU / H-GAC	0912-00-549	Not Approved. Unable to determine CMAQ funding eligibility with the information provided. Approval withheld pending clarification of project scope and CMAQ eligibility.
10	HOU / H-GAC	1062-04-057	Not Approved. Total project cost appears to be substantially greater than that reflected in H-GACs 2040 RTP. Approval is withheld pending clarification of the projects consistency with H-GACs 2040 RTP.
11	HOU / H-GAC	1685-03-058	Not Approved. H-GAC's 2040 RTP indicates a 2035 transportation conformity analysis year. However, based upon the project's proposed let year and a 2-year construction time-frame a 2025 transportation conformity analysis year is anticipated. Approval is withheld pending clarification of the project's transportation conformity analysis year and consistency with H-GAC's 2040 RTP.

Foster Grandparent Program Open Volunteer Enrollment

Foster Grandparents are older Americans 55 and above who give children the most valuable gift of all – their time, love and wisdom. They mentor children from all walks of life, teaching them by their example how to solve problems, do their best in school, how to get along with others and that they are important. The service our Foster Grandparents render overlaps into the community by helping children become productive members of society. Foster Grandparents serve between 15 and 40 hours per week receiving an hourly stipend.
