Transportation	<p>Services that provide or arrange for taking an older person from one location to another. Does not include any other activity.</p> <p>There are two types of transportation services:</p> <ul style="list-style-type: none"> <li>• Demand or Response: Transportation designed to carry an older person from a specific origin to a specific destination upon request. An older person requests the transportation service in advance of their need, usually twenty-four to forty-eight hours prior to the trip.</li> <li>• Fixed Route: Transportation service that operates in a predetermined route that has permanent transit stops, which are clearly marked with route numbers and departure schedules. The fixed-route does not vary and the provider strives to reach each transit stop at the scheduled time. The older person does not reserve a ride as in a demand-response system; the person simply goes to the designated location and at the designated time to gain access to the transit system.</li> </ul>	<p>One, one-way trip</p> <p>Note: Each one-way trip from one location to another counts as a unit.
