

# FY 2023 Annual Transportation Project Listing

for the Jefferson-Jasper-Orange-Hardin  
Regional Transportation Study (JJOHRTS)  
Area October 1, 2023- September 30, 2023

Prepared by the South East Texas Regional Planning Commission-Metropolitan Planning Organization (SETRPC- MPO) Adopted by the JJOHRTS Transportation Planning Committee on April 10, 2025.

*Prepared in cooperation with the Texas Department of Transportation and the U.S. Department of Transportation, Federal Highway Administration, and Federal Transit Administration.*

The South East Texas Regional Planning Commission (SETRPC) is the Metropolitan Planning Organization (MPO) for Jefferson, Jasper, Orange, and Hardin Counties of Texas. The SETRPC-MPO provides a decision-making forum for southeast Texas that is responsible for conducting a continuing, cooperative, and comprehensive transportation planning process. The main purpose of the SETRPC-MPO is to develop and maintain all transportation plans for the Jefferson-Jasper-Orange-Hardin Regional Transportation Study (JJOHRTS) area.

The SETRPC-MPO's short-range transportation plan is the Transportation Improvement Program (TIP), which presents the various highway and transit projects and/or programs that are expected to be implemented or let for construction within the four-year period of the TIP. All regional transportation projects and programs are required to be identified and prioritized in the TIP to be eligible for federal funding through the Federal Highway Administration (FHWA) or the Federal Transit Administration (FTA).

Project schedules often change for a variety of factors; therefore, the TIP may not always yield an up-to-date picture of actual project expenditures. This report provides the list of federally funded transportation projects and programs that were let in federal fiscal year 2021 (FY 2021), the period of October 1, 2021 through September 30, 2022. This report complies with 23 CFR §450.332 "Annual Listing of Obligated Projects" and was prepared cooperatively by the South East Texas Regional Planning Commission - Metropolitan Planning Organization (SETRPC-MPO) for the JJOHRTS area and the Texas Department of Transportation - Beaumont District.

This report is available at [www.setrpc.org/ter](http://www.setrpc.org/ter) by selecting "Transportation" from the top menu, then selecting "Transportation Improvement Program" from the left hand menu.

Descriptions are provided below for certain table fields in the lists.

Each project and program is described by the following information:

- **Project ID** is a unique reference number specified by the SETRPC-MPO to track projects and programs.
- **CSJ (Control-Section-Job) Number** is a unique reference number specified by TxDOT for tracking projects.
