South East Texas Regional Planning Commission - Metropolitan Planning Organization (SETRPC - MPO) Transportation Conformity Determination for the Metropolitan Transportation Plan 2045 and Revised FY 2019-2022 Transportation Improvement Program

Mr. James M. Bass, Executive Director Texas Department of Transportation 125 E. 11th Street Austin, TX 78701-2483

Dear Mr. Bass

We have reviewed the transportation conformity determination and supporting documentation for the South East Texas Regional Planning Commission-Metropolitan Planning Organization's (SETRPC-MPO) Metropolitan Transportation Plan 2045 (MTP 2045) and Revised FY 2019-2022 Transportation Improvement Program (Revised 2019-2022 TIP), adopted by the Transportation Planning Committee (Policy Board) on July 18, 2019.

Based upon our review and consultation with the U.S. Environmental Protection Agency (EPA), the Texas Commission on Environmental Quality (TCEQ), and the Texas Department of Transportation (TxDOT), we hereby find

that the MTP 2045 and Revised 2019-2022 TIP meet the requirements for making a joint conformity determination under the Clean Air Act Amendments of 1990 and EPA's November 29, 2018 Transportation Conformity Guidance for the South Coast II Decision.

Additionally, we find

that the MTP 2045 satisfactorily complies with the requirements of 23 CFR §450.324 regarding the development and content of metropolitan transportation plans; and

that the Revised 2019 – 2022 TIP satisfactorily complies with the requirements of 23 CFR §450.326 regarding the development and content of transportation improvement programs.

This conformity determination addresses project changes as adopted by the MPO's Policy Board and reflected in the corresponding MTP and TIP.

The interagency consultative partners have indicated that transportation conformity has been demonstrated in their letters dated: October 23, 2019 for TxDOT, November 18, 2019 for TCEQ, and November 19, 2019 for EPA.

The conformity determination and procedures used to make this determination are in accordance with the provisions of the transportation conformity rule (40 CFR Parts 51 and 93), dated August 15, 1997, as amended; and EPA's November 29, 2018 *Transportation Conformity Guidance for the South Coast II Court Decision.*

Please note this action restarts the 5-year time clock associated with the update of the transportation plan and the 4-year time clock associated with the demonstration of transportation conformity.

The Federal Highway Administration (FHWA) acts as executive agent for the Federal Transit Administration (FTA) on metropolitan transportation plan and transportation improvement program air quality conformity determinations. Accordingly, this letter will serve as a joint F HWA/FTA conformity determination.

Should you have any questions concerning this action, please contact Jose Campos at <u>Jose.Campos@dot.gov</u> or (512) 536-5932, Barbara Maley at <u>Barbara.Maley@dot.gov</u> or (214) 224-2175 or Anthony Jones at <u>Anthony.M.Jones@dot.gov</u> or (512) 536-5936.

Sincerely,

Scott and Bob:

Based on our review of the information provided and the proposed project changes (attached), we do not believe that a new regional transportation conformity determination is warranted.

This is based on our understanding that:

- design concept and design scope is not changing; and
- no new projects are being added to the 2045 Plan; and
- no projects are being deleted from the 2045 Plan; and
- the existing conformity determination (Nov-2019) is not constrained by analysis years.

Consultative Partners:

Should you have questions, comments and/or concerns regarding this determination, please do not hesitate to contact us.

Property Tax Protest and Appeal Procedures

when a concern acous:

*the appraised (market) value of your property;

the unequal value of your property compared with other properties;

the inclusion of your property on the appraisal records;

any exemptions that may apply to you;

*the qualification for an agricultural or timber appraisal;

*the taxing units taxing your property;

*the property ownership;

*the change of use of land receiving special appraisal;

*failure of the chief appraiser or appraisal review board (ARB) to send a required notice; or

*any action taken by the chief appraiser, county appraisal district
(CAD) or ARB that applies to and adversely affects you.

Informal Review

Please contact Hardin CAD at 409-246-2507 or office@hardin-cad.org to schedule an informational meeting.

If you cannot resolve your problem informally with the CAD, you file a notice of protest requesting to have your case heard by the ARB.

The ARB is an independent board of citizens that hears and determines protests regarding property appraisals or other conce listed above. It has the power to order the CAD to make the neces-sary changes based on evidence heard during the ARB hearing.

If you file a written request for an ARB hearing (notice of protest) before the deadline, the ARB will set your case for a hearing and send you written notice of the time, date, place and subject of the hearing. If necessary, you may request a hearing in the evening or on a Saturday. You may use Comptroller Form 50-132, Property Appraisal - Notice of Protest, to file your written request for an ARB hearing.

Prior to your hearing, you may request a copy of the evidence the CAD plans to introduce at the hearing to establish any matter the CAD plans to introduce at the hearing to establish any matter.

Prior to your hearing, you may request a copy of the evidence the CAD plans to introduce at the hearing to establish any matter at issue. Before a hearing on a protest or immediately after the hear-ing begins, you or your agent and the CAD are required to provide each other with a copy of any materials (evidence) intended to be offered or submitted to the ARB at the hearing. Evidence may be submitted for any hearing type either in paper or on a small por-table electronic device (such as a CD, USB flath drive or thumb drive) which will be kept by the ARB. Do NOT bring evidence on a smart phone. The ARBs hearing procedures regarding all the requirements to properly submit evidence on a small portable electronic device must be reviewed.

To the greatest extent practicable, the hearing will be in-formal.

You and the CAD representative have the opportunity to present
evidence about your case. In most cases, the CAD has the burden
of establishing the property's value by a preponderance of the evi-

dence presented.

In certain protests, the chief appraiser has the burden of proving the property's value by dear and convincing evidence. You should review ARB hearing procedures to learn more about evidence review ARB hearing and related matters.

and related matters. You should not try to contact ARB members outside of the hearing. ARB members are required to sign an affidavit saying that they have not talked about your case before the ARB hears it.

Review by the District Court, an Arbitrator or SOAH
After it decides your case, the ARB must send you a copy of its
order by certified mail. If you are not satisfied with the ARB's
decision, you have the right to appeal to district court. As an alter
native to district court, you may appeal through binding arbitration or the State Office of Administrative Hearings (SOAH) if you

name to district court, you may appeal intrough outsing storics, to more the qualifying criteria. If you choose to go to district court, you must start the process by filing a petition with the district court within 60 days of the date you receive the ARBs order. If you choose to appeal through binding arbitration, you must file a request for binding arbitration, you must file a request for binding arbitration with the CAD not later than the 50th day after you receive notice of the ARB order. If you choose to appeal with the CAD not later than the 50th day after you receive notice of the ARBs order. Appeals to district court, binding arbitration or SOAH all require payment of certain fees or deposits. If you believe that the ARB or chief appraiser failed to comply with an ARB procedural requirement, you may file a complaint with the local taxpayer liaison. If it is not resolved by the ARB or chief appraiser, you can request limited binding arbitration to compel the ARB or the chief appraiser to comply.

JAM FAYMENT

You must pay the amount of taxes due on the portion of the taxable value not in dispute, the amount of taxes due on the property
under the order from which the appeal is taken or the amount of
taxes due in the previous year.

You can get more information by contacting your CAD at

Hardin County Appraisal District, 105 S. Pine St. PO Box 670, Kountze, TX 77625, 409-246-2507

You can get Comptroller forms and additional information on how to prepare a protest from the Comptroller's website at comptroller.texas.gov/taxes/property-tax/.

Late protests are allowed for good cause if you miss the usual deadline. The ARB decides whether you have good cause. Late protests are not allowed after the ARB approves the appraisal re- cords for the year.

Special Deadlines

For change of use (the CAD informed you that you are losing agricultural appraisal because you changed the use of your land), the deadline is not later than the 30th day after the notice of the determination was

For ARB changes (the ARB has informed you of a change that increases your tax liability and the change did not result from a protest you filed), the deadline is not later than the 30th day after the notice of the change was delivered to you.

If you believe the CAD or ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually Feb. 1) or no later than the 125th day after the date you claim you received a tax bill from one or more of the taxing units that tax your property. The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

* The deadline is postponed to the next business day if it falls on a weekend or legal, state or national holiday.

IN BRIEF

Port Arthur mayor recognized for efforts to address homelessness

Rising LoneStars reports that Port Arthur Mayor Thurman Bartie has earned a spot on the website's March 2022 Top Ten list for his leadership in addressing homelessness in his city through adoption of Resolution 22-154 and Proposed Ordinance 7045.

Bartie formed the Port Arthur Homeless Advisory Board, a 14-member board appointed by city council to combat rising homelessness. Bartie is also reportedly working with the U.S. Housing and Urban Development Program Housing First to secure housing for anyone who is homeless "with a desire to do better," Rising LoneStars described.

Transport talks open

The South East Texas Regional Planning Commission (SETRPC) will host a series of public meetings beginning Tuesday, May 10, providing stakeholders in Jefferson, Orange and Hardin counties the opportunity to learn about and comment on several pending local transportationrelated issues, including Revised "DRAFT" JOHRTS MTP-2045 Amendment #4, the "DRAFT" JOHRTS FY 2023-2026 TIP and the "DRAFT" Transportation Conformity Report.

This is an opportunity for the public to be directly involved in the process and have their voices heard as we make recommendations to address transportation-related issues that are affecting the Southeast Texas region," said SETRPC Director of Transportation and Environmental Resources Bob Dickinson. "Public input is an essential part of this process, and we want to make sure the needs of our region are properly addressed."

The 30-day public comment period is being held through May 31. The public is encouraged to attend a meeting or provide written comments by 5 p.m. May 31. Two in-person public meetings will be held in Beaumont and Orange - at the SETRPC Homer E. Nagel Room, 2210 Eastex Freeway in Beaumont, on Tuesday, May 10, at 3 p.m.; and at the Orange Library, 220 5th Street in Orange, on Wednesday, May 11, at 3 p.m. Two virtual meetings are also planned for Thursday, May 12, one at 10 a.m., the other at 3 p.m. To attend the virtual meetings, log onto https://www.gotomeet.me/SETRPC/ter or call 1-877-309-2073, access code: 499-824-429.

For more information or for special needs requests, contact SETRPC's Dickinson at (409) 899-8444, extension 7520, or bdickinson@setrpc.org.

Career camp on campus

The Beaumont ISD Career and Technical Education Department is now accepting registrations for their Career Exploration Camp, scheduled daily June 6 - 9, from 8 a.m.-12 p.m. at the Career and Technology Center.

The camp is offered to middle school students, grades 6-8, in order to give them the opportunity to explore the pathways and programs available to them to help determine future areas of interest," said K-8 Career Readiness Specialist Shamine Cormier.

Students will assume the role of an Emergency Medical Technician (EMT), an automotive technician, a chef, a film and video editor and more through engagement in hands-on simulations.

Studies have shown that career exploration opportunities improve the attitudes of our children about their career possibilities, thus motivating them to persevere and attend school everyday," said Cormier. "Students who are involved in career exploration are more likely to plan their high school courses of study carefully to gain the skills they will need upon graduation."
Registration is open until May 20, or un-

Volunteers needed

As forecasters predict another active Gulf Coast hurricane season, the American Red Cross Gulf Coast Region is seeking new volunteers to respond to a growing number of climate-driven disasters affecting Southeast Texas communities.

This year's heightened hurricane outlook is part of a years-long trend of more frequent and intense climate disasters, such as hurricanes, wildfires, severe storms and floods, the Red Cross reports.

Volunteers are at the heart of our mission, representing 90% of our workforce and responding on a near-constant basis to provide safe shelter, food and comfort after disasters across the country," said Texas Gulf Coast Region Communications Manager Vanessa Valdez. "As this relentless pace of severe crises continues, we need more volunteers to grow our capacity and help ensure families never face these emergen-

City instills Closed Captioning

The City of Beaumont announced that English and Spanish closed captioning is now available on all City Council videos for both future and archived meetings. Closed captioning displays the audio portion of a program as text on screen, providing a critical link to news and information for deaf or hard-of-hearing individuals.

Per the Texas Open Meetings Act, all

City Council meetings are open to the public both in-person and live-streamed on the city's website and YouTube channel.

"It is a wonderful step in the right direction for our focus on inclusivity and accessibility to ensure as many citizens as possible have access to city news and updates," said Mayor Robin Mouton.

Transcripts of every City Council meeting beginning on April 5 are also available on the city's website.

Prohibiting product

April 28, the U.S. Food and Drug Administration announced proposed product standards to prohibit menthol as a characterizing flavor in cigarettes and prohibit all characterizing flavors, other than tobacco,

These actions have the potential to significantly reduce disease and death from combusted tobacco product use, the leading cause of preventable death in the U.S., by reducing youth experimentation and addiction, and increasing the number of smokers that quit," the FDA maintained in released text regarding the proposition.

The proposed prohibition builds on the Family Smoking Prevention and Tobacco Control Act, which prohibited all characterizing flavors, other than tobacco and menthol, in cigarettes in 2009. In 2019, there

were more than 18.5 million current menthol cigarette smokers ages 12 and older in the U.S., with particularly high rates of use by youth, young adults, and African American and other racial and ethnic groups. Published modeling studies have estimated a 15% reduction in smoking within 40 years if menthol cigarettes were no longer available in the United States. These studies also estimate that 324,000 to 654,000 smoking attributable deaths overall (92,000 to 238,000 among African Americans) would be avoided over the course of 40 years.

The FDA cannot and will not enforce the prohibition against individual consumers for possession or use of menthol cigarettes or flavored cigars. If the proposed rules are finalized and implemented, FDA enforcement will only address manufacturers, distributors, wholesalers, importers and retail-

May 4, the FDA opened public comment for the proposed rules, and the agency will also convene public listening sessions on June 13 and June 15. The public will have the opportunity to submit either electronic or written comments directly to the dockets on the proposed rules through July 5. Once all the comments have been reviewed and considered, the FDA will decide whether to issue final product standards.
